

Lime in Road Solutions Pushing the Boundary

A British Lime Association Conference

Lord's Cricket Ground

Thursday 16th November 2017

We're inviting you...

to the British Lime Association's **Lime in Road Solutions** conference, a one day match to discuss the future of lime in helping to create durable road surfaces.

Key presentations from eminent UK and international industry and academic experts will include the themes of lime in hydraulic road binders and asphalt as well as soil stabilisation practices.

Afterwards, why not follow through and go all out with a guided 45 minute tour of the historic cricket ground. Be bowled over!

To register

Simply complete the booking form overleaf as appropriate for the selected method of payment and send it to the address on the form. Don't get caught out! **Early booking is advisable as there are limited places at this event and it attracts an 'early bird' discount.**

Your registration fee includes:

- A place in the conference
- Refreshments at drinks intervals
- Buffet lunch
- A delegate pack
- Access to presentations after the event
- 4 hours CPD

For an additional £10 there is a tour of the Lords Cricket Ground available to book.

To exhibit
